Dear Future Member,

I would like to thank you for your enquiry into joining us at Crondon Park Golf Club, we would love for you to join us and become a part of the club. Set in the most peaceful environment of the Crondon Park estate, our main course is referred by many as one of the county's most formidable golf courses and ranked amongst the Top 20 in the County.

Crondon has everything you could ask of from a championship golf course, measuring over 6800 yards from the back tees, it can play a real test for any golfer of any ability.

With 5 par 3's, 5 par 5's and 8 par 4's there is a score to be made but only if you are brave enough to take on all the tests. With water in play on 9 of the 18 holes, accuracy is at a premium to be able to manage your way round.

If the course wasn't challenging enough with its length, the Greens are USGA constructed to the highest degree, receptive on approach but quick small and undulating, getting the wrong side of any pin could prove costly.

Our 18th hole is the longest closing golf hole in the World, measuring 860 yards and played as an unofficial par 6. From the members tee, over 600yds, it still packs a punch, with the green surrounded by water, it still plays tricky enough to keep even the best of us worried until the final putt.

The inclusion of over 20,000 trees planted over twenty years ago, means most of the time you can only see the hole you are playing, giving it a real traditional parkland feel. It is a course that has matured beyond its years and certainly a must visit for any golfer in the area.

To aid your introduction to the Club and the facilities we have put together the following information pack which hopefully you will find informative and helpful in getting the most out of our membership packages.

Our golf professional team will be able to help you with any additional questions or enquiries you may have.

Regards,

David Laffar

DEAR NEW MEMBER

We want you to feel part of our club's community and hopefully you will have the opportunity to take part in our wide range of events and competitions that take place over the golfing calendar. Crondon Park offers something for all ages and abilities and I'm sure you'll find something which suits and helps you make the most of your membership.

If you see me at the club, please pop over and say hello and I would be delighted to have a drink with you and introduce you to a few other members. We pride ourselves on being a friendly and welcoming club and we would also encourage you to bring your friends and family to the club to enjoy our facilities with you, whether for a game of golf, a drink or something to eat.

Each of our sections, Mens. Seniors, Ladies and Juniors have there own set of competitions which include Major Board competitions, where the winners added to the club house honours board, medals, stablefords and various fun competitions. There are also a number of shotgun starts where which are followed by lunch and prize giving which bring the whole club together.

While the club runs it competitions via the Intelligent Golf , the members have their own website (<https://www.crondonmembers.com>) which I would recommend that you request access via the link on the login page. Here you will find further details for the respective sections of the club.

Finally I would like to wish you a long and happy association with Crondon Park and look forward to seeing you either in the club house or on the course.

Regards

Neil Mitchell
