Crondon Park Drainage Project

Our new drainage and Path network is now complete. With over 25 miles of drainage installed we will be one of the driest courses in the county!

Over the last few months, we've undertaken what's probably the biggest improvement project in Crondon Park's history. If you've been playing here recently, you'll have seen our teams hard at work installing new drainage systems and creating an extensive path network across our Championship Golf Course, and we wanted to tell you a little more about just what we've been getting up to.

Led by our Managing Director, Marlon Fox, Director of Golf, David Laffar, and Head Greenkeeper Stewart Rogers, this extensive project has transformed our course's water management capabilities while improving accessibility across all 18 holes. The initiative was born from our commitment to providing the best possible playing conditions throughout the year, regardless of weather conditions. Our Director of Golf, David Laffar has documented every step of the way in our video diary so take a look for a week by week guide of just what happened during this project.

Membership Promotion

An essential element of our plan to expand Crondon's membership involves increasing participation in the 5-Day membership category. To support this goal, we're excited to launch a special promotion throughout December: new members who join under the 5-Day membership plan can enjoy 15 months for the price of 12! This offer applies exclusively to new members choosing to pay the full amount upfront, and the standard joining fee will still apply.

Winter Green Fees & Societies

With the introduction of our new drainage system, we're confident that you'll be able to enjoy our course even on the wettest winter days—when most other courses in the county are closed or should be. To celebrate, we've launched a range of green fee offers and winter society promotions, including a special one for Christmas.

New Buggies

We are excited to announce the arrival of our brand-new fleet of 20 state-of-the-art buggies! Each buggy is equipped with a GPS system that provides precise yardage to the pin, no matter where you are on the course. Additionally, they feature the latest Geo-Fencing technology, ensuring they stay on our new path network and drained fairways. This innovative feature allows us to keep buggies on the course even during the depths of winter. Why not come and give them a try?

Women In Golf

Our Golf Professionals, John and Sophie, have launched an inspiring Women in Golf program with the support of England Golf. This initiative is designed to increase women's participation in golf and provide a clear pathway for women to become club members.

The first session took place on Saturday 2nd November, with more than 12 non-members joining us.

We extend a heartfelt thanks to our lady members who have supported John and Sophie, making this launch such a success. We look forward to seeing this program grow with upcoming events.

If you have a friend or loved one who may be interested, the upcoming sessions will be held on:

- 30th November 2024
- 14th December 2024
- 4th January 2025
- 25th January 2025
- 15th February 2025

All sessions run from 12:00 to 14:00. To reserve a spot, please email Golf@crondon.com.

Christmas at Crondon

We have limited spaces left for our Christmas Party Night on Friday 20th December.

Join us for a welcome drink, canapés, three course meal, wine during dinner and evening entertainment.

Please email Hannah@crondon.com to reserve your tickets.

Night Golf

On the 1st of November, we had the pleasure of hosting our very first night golf event, organised in collaboration with Club Night Golf.

They transformed our course into a glowing spectacle, creating an unforgettable experience for everyone involved. The event was a resounding success, and we are thrilled to announce that we'll be hosting another night golf event on the 22nd of February.

This exciting evening will once again feature a 2-ball scramble format, making it a perfect opportunity for you and a partner to showcase your teamwork under the enchanting glow of the night-lit course. Don't miss out— email hannah@crondon.com to secure your spot and join us for another magical night on the greens!

Upcoming Events - Christmas Sunday Lunches

- 8th December
- 15th December
- 22nd December

Two Course meal - £29.95pp | Three Course meal - £34.95pp

*Members will receive 15% discount.

Please email Hannah@crondon.com to book your tickets.
