About Us

Set in the picturesque valley of Stock, the Crondon Park Estate is the home of one of the county's most formidable golf courses. With the USGA- constructed greens and each hole being treelined with over 20,000 trees on the estate, creates one of the county's most peaceful environments.

The Championship course, measuring over 6,800 yards from the back tees, with 5 Par 3's, 5 Par S's and 8 Par 4's, creates a great test of golf for golfers of all abilities.

Combining a fantastic golf course with our brilliant team, we strive to offer a golf day where you and your party can enjoy a fun and relaxed day on and off the course.

VPAR - Live Leaderboard Scoring

VPAR is the market leading technology platform changing golfers' experience on and off the course. The technology offers a Live Scoring system, allowing golfers to see where they stand on a live leader board.

Benefits of VPAR include:

Customised arrival screen at registration.

Players will know who's arrived, when they are teeing off and from which hole.

Digital scorecards are preloaded with team name and players' handicaps.

VPAR is included in your golf day and will be set up by Crondon Park golf staff.

Molson Coors Beverage Company is proud to be partnered with Crondon Park Golf Club and from start to finish our Annual Golf Day, held on Wednesday 22nd May, was absolutely spot on! Our customers were highly complementary of the greens and fairways, staff were extremely helpful throughout and the food (and beers ;-)) were top draw. In particular the support from David, Hannah, Darren and Marlon on the day was exceptional and nothing was too much. Very much looking forward to returning and planning our next day.

Charlie Risk - Molson Coors

We had a brilliant charity golf day at Crondon Park Golf Club. Thanks go to the Crondon team for organizing such a well-planned event. All golfers, no matter their ability, were warmly welcomed onto the beautiful golf course. Additional contests such as putting, nearest to the pin, and beat the pro sparked further friendly competition. The BBQ at the end was fabulous and a fantastic £15,000 was raised for ABTA LifeLine. We have already booked next year's event!

Trudie Clements - ABTA Lifeline

I just wanted to say a massive thank you to you and all the amazing team at Crondon Park for your help with our Charity Golf Day.

The idea of the day was to raise awareness and much need funds for two charities close to Bouygues hearts, Dravet Syndrome UK and the National Autistic Society.

All our colleagues, subcontractors and their guests had the most amazing time. Lots of people commented on the beauty of the course and how helpful everyone was. It was easy to see from the photos of the day that it consisted of lots of smiles, laughter, bonding, sweat and of course liquid refreshment...

Before we even left the course that day already we were being asked "you are doing this again next year aren't you"? As you know we have already reserved a date.

When I was thinking of planning this day I had a wish list in my head of what I envisaged it to be like, but having no golf experience was very much reliant on the capable hands of David, Alex, John and Hannah for guidance. I can safely say that on the day it was better than I could have ever wished for. To top it all the amazing sum of £6,500 being raised and then Golf Leisure Limited topping it up to £7,000 – WOW – AMAZING!

Thank you all so much from the bottom of my heart, see you next year!
