VPAR - Live Leaderboard Scoring

VPAR is the market leading technology platform changing golfers' experience on and off the course. The technology offers a Live Scoring system, allowing golfers to see where they stand on a live leader board.

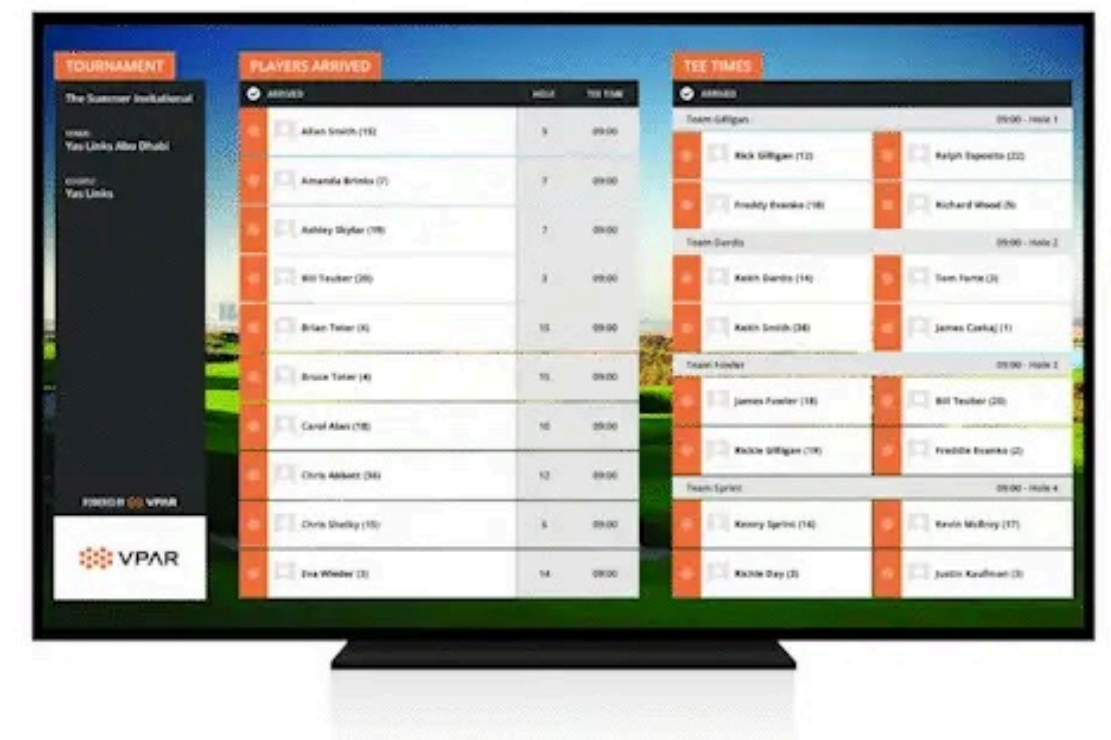

Benefits of VPAR include:

Customised arrival screen at registration.

Players will know who's arrived, when they are teeing off and from which hole.

Digital scorecards are preloaded with team name and players' handicaps.

VPAR is included in your golf day and will be set up by Crondon Park golf staff.

Loyalty Rewarded at Crondon Park

Does your society play more than once a year?

If so, then you can take advantage of our Loyalty scheme at Crondon:

Host more than one event in the same calendar year and receive 10% off your second event with us.

The winter conditions at Crondon Park guarantee of no temporary greens, which makes us a great destination for a Winter and Summer event!

Do you know or play in any other societies?

If so, then we would love to help them organise an event at Crondon!

As a thank you for referring us, you will be eligible for:

Complimentary Midweek Fourball Voucher

Simply make the introduction, and we will do the rest. We pride ourselves on offering the same high level of service to all our clients so you know your friend is in safe hands.

Jaguar Golf Society - Society Day 2nd June 2024. It gives me great pleasure to express my sincere gratitude to Crondon Park golf club for making our visit so special and providing a memorable experience.

A friendly reception from the staff that provided a lovely breakfast. We were a group of 43 and they accommodated us really well. A special thanks to Hannah who handled our booking.

The course was well maintained, long and challenging.

We finished the day off enjoying the pizzas from their wood fired oven. Again, I commend the staff there on the day for looking after us, it couldn't of been easy with so many of us.

Definitely a place we would book again in the near future.

June 2024

We held our Golf Society at Crondon Park at the end of July for the first time.

Everyone was very impressed with the course and the staff overall. The food was excellent across the day and I believe Crondon Park will be featuring as a regular in our annual calendar moving forward.

August 2024

We recently held a society day here and this was a new venue for us. even after all the rain we have had this year The course was in amazing condition.

We had a warm welcome by the staff who were very accommodating on the day. breakfast was amazing and the guys were all eager to get off.

Feedback from all the team was this was a course with fantastic facilities, It was a superb layout and every was challenging.

This is definitely a new location. We will be attending again and look forward to coming back.

May 2024

The course itself is excellent with many challenges and several very scenic/interesting holes so a real treat if you have not played it before. Our Golf Society has regularly played Crondon Park for several years and we are always met with a friendly and professional greeting from Hannah and the team there.

The catering is always excellent and there is the added attraction of a pizza by the eighteenth green as well as a cold beer!

All in all, it's a great golfing experience especially if you are a Golf Society looking for a new (venue*) to try - highly recommended!
